# MY VOICE, MY FUTURE

LEAP
LEARN · EARN · PROSPER

Re
ReSOURCE

Application due June 1

Connect with peers and professional mentors who are blind and visually impaired! Learn tools and ways to access your community and lead an independent life!

Attend 15 out of 22 workshops and earn a prize! Bonus prizes available if you attend all 4 Empowerment Through Play workshops.

Details:
Program Dates: July 1 - August 9 (see calendar for details)
Virtual Sessions: via Zoom

Workshop Series:
- *Empowerment Through Play:* Learn how to take charge of your story and your life!
- *Executive Functioning:* Build awareness of your strengths and areas of growths in order to lead a more independent life.
- *Orientation & Mobility/Independent Living:* Learn about independent travel and living, such as navgiating the airport and cooking!
- *Social Hour:* Play games, join conversations, and make friends!
- *Speaker Retreats:* Connect with adults who are blind and visually impaired to learn about their careers and create connections.
- *Friday Round Up*: Meet with peers to share successes, navigate challenges, and most importantly, make friends!

DIGITAL CONTENT CORRESPONDENT

LEAP
LEARN·EARN·PROSPER

Re
ReSOURCE

Application due June 1

Paid Work-Based Learning Opportunity

Be a Digital Content Correspondent for LEAP to help us create a virtual publication for our community. Interview interesting people and share their stories with the LEAP audience. Report the latest news on technology and the visually impaired community. Write opinion pieces to advocate for change. We'll develop content to be delivered across LEAP's communications' platforms – from social media, to websites, to e-newsletters.
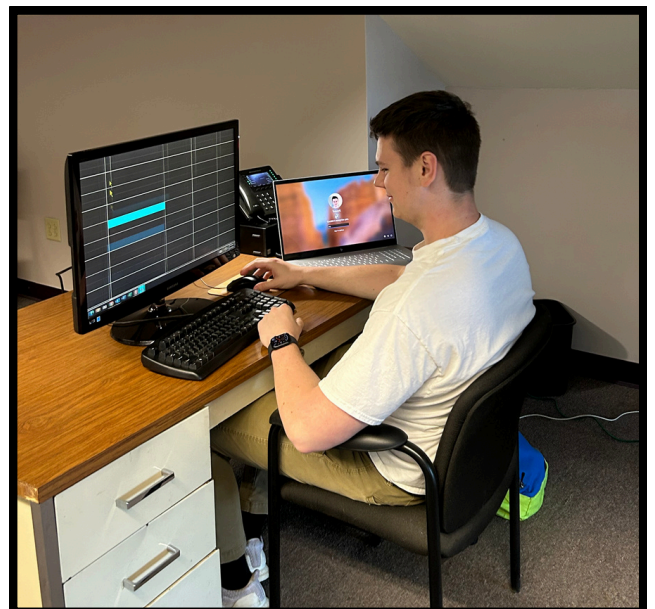

Details:
<u>Wage</u>: $13.67/hour (Or at your state's minimum wage, if higher)
<u>Program Dates</u>: July 1 - August 9
<u>Virtual Sessions</u>: via Zoom

Skills & Qualifications:
- Independently access Zoom;
- Independently access Google Suite;
- Communicate effectively;
- Problem-solve daily challenges;
- Manage time appropriately;
- Complete and submit hiring paperwork by deadline.

WEB DEVELOPER

Application due June 1

Paid Work-Based Learning Opportunity

The tech world offers exciting and profitable career paths, and you can get a head start this summer! Web Developers will learn the basics of HTML, web design, and web accessibility by working in small groups to build an accessible web site that meets client needs.

Details:
Wage: $13.67/hour (Or at your state's minimum wage, if higher)
Program Dates: July 1 - August 9
Virtual Sessions: via Zoom

Skills & Qualifications:
- Willingness to learn and make mistakes;
- Ability to use email, including opening and adding attachments;
- Ability to navigate web browsers, including following links, entering addresses, navigating to buttons, text boxes, and links;
- Ability to open and save documents and files on computer, and/or cloud-based apps such as Google Drive.

Technology Requirements:
- A Windows computer;
- Computer/access technology skills to independently navigate websites;
- Enough knowledge of keyboarding skills to write the equivalent of 10-15 sentences in an hour session;
- If using a Braille display (connected to a computer, not a note-taker), independent proficiency equal to the keyboarding and computer skills above.
