

COMMUNITY OF PRACTICE

DEVELOPING AND SUSTAINING EFFECTIVE PEER MENTORING PROGRAMS

Are you passionate about fostering growth and independence in youth and young adults with blindness, visual impairments, and/or other disabilities through the power of peer mentoring?

Do you develop or work within these vital programs?

If so, we invite you to join!

Collaborate and Share Ideas

This is a space for rich discussion and the exchange of innovative strategies.

Collaborative Problem-Solving

Our community will be a resource for brainstorming solutions and offering diverse perspectives to help you navigate complex situations.

Deepen Your Knowledge

We'll explore the essential elements that contribute to a truly successful peer mentoring program.

Tailored Learning Opportunities

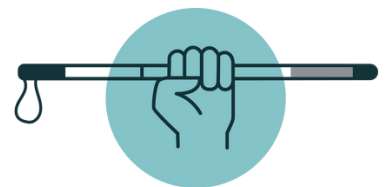

We'll offer optional focused sessions based on the specific interests and needs of the group, ensuring the content is always relevant and impactful.

Meeting Details: We will meet quarterly for an hour.

Our First Meeting: October 7, 2025 at 1:00 PM EDT.

This CoP is being facilitated through LEAP Connect and an Office of Special Education Programs grant.

To Join: Please contact Michelle Gates at mgates@resourcevt.org
