

ENGAGEMENT

Ready to take the next step of your work journey? Earn money at a remote job or build your technology skills.

VIRTUAL WORK EXPERIENCE: VIRTUAL, VIA ZOOM

Get paid to work on projects in marketing, media, or computer science! Collaborate with peers, get feedback from a supervisor, and deliver meaningful outcomes for LEAP and our partners. Fall, spring and summer sessions.

AT ON DEMAND: VIRTUAL, VIA ZOOM

Build important academic and workforce technology skills by working virtually with a Certified Assistive Technology Instructional Specialist (CATIS). Come with goals in mind or work with LEAP to identify essential skills for your future! Year-round.
