

EXPLORATION

Starting to think about what's next? Step one is making friends, cultivating confidence, and having fun.

MY VOICE, MY FUTURE: VIRTUAL, VIA ZOOM

Make friends from all over the country, network with professionals who are blind and visually impaired, and learn about yourself! Workshops are designed by students, for students to cover topics that are important to you. Fall, spring, and summer sessions.

WEEKEND RETREATS: BURLINGTON, VT

Learn how to ski, code your own website, play trivia and card games, celebrate White Cane Day, go out to eat, and more during our retreat weekends! Fall, winter, and spring weekends.

MENTOR PROGRAM: VIRTUAL, VIA ZOOM

Share tips, get advice, and learn about life after high school from college-aged mentors. Group-style mentorship encourages dynamic conversations, connections with peers from across the country, and a network of friends and guides. October – May.
